

**DEPARTMENT OF ENVIRONMENTAL PROTECTION  
MONTGOMERY COUNTY, MARYLAND**

**NOISE WAIVER CERTIFICATE**

**ISSUED TO :** Kwesi Akoto / Clark Construction Group, LLC  
*Owner/Operator*

**Valid From :** 12/07/2017      **Valid To :** 01/05/2018

**Type Of Waiver :** Temporary

**Authorizing :**

Daytime and nighttime work to construct a tunnel and METRO access improvements including utility relocation, excavation, tunneling, and road construction under Rockville Pike between Wood Road and South Drive. Additional roadway improvements will occur on Rockville Pike from Wood Road to Woodmont Ave. Any lane closure permits issued by the Maryland State Highway Administration must be forwarded to the Department of Environmental Protection. Due to the duration of the project, vehicle traffic, and pedestrian safety, work hours are expected to be 24 hours a day with the scheduling of louder activities to occur concurrently during daytime hours. During nighttime hours (5:00 p.m. to 7:00 a.m.), when possible, use visible warning signals for blasting operations, OSHA approved alternate backup alarms, blasting mats and shaft covers, and drilling installation of pilings and soldier beams. Construction equipment shall be equipped with well-maintained and effective mufflers, and moving parts shall be well lubricated to avoid unnecessary noise from squeaking parts. Minimize banging, clattering, buzzing, slamming of tailgates, and other annoying types of noises. (DEPC Case #20172519)

**Street:** Rockville Pike between Wood Road and Woodmont Avenue      **Town:** Bethesda
